

Introduction to LGBTIQ+ Inclusive Practices for Disability Sector Workers eLearning

About this session

A short eLearning module which can be done anywhere, anytime (internet access required). This Introduction to LGBTIQ+ Inclusive Practices for disability sector workers course guides participants through a range of interactive learning activities focusing on issues facing LGBTIQ+ people with disabilities (including psychosocial disabilities) and the ways inclusive practices can make a difference.

Sample access available.

Learning Outcomes

At the end of this session participants will be able to:

- Understand and affirm LGBTIQ+ identities for people with disabilities
- Engage respectfully with LGBTIQ+ people with disabilities
- Use appropriate language and terminology in relation to LGBTIQ+ inclusion
- Embed LGBTIQ+ inclusive practices into everyday behaviours

Format:

- A 45-minute eLearning module to be completed at your own pace. Internet access required.
- Accessibility compliant. Mobile friendly.
- Following up webinars also available (2 hours, online).
