

Database of Tasmanian LGBTIQ+ Inclusive Health Practitioners

Information for Medical Practitioners

About the Project

Working It Out is Tasmania's only dedicated LGBTIQ+ support service.

We are continuing to develop a statewide database of LGBTIQ+ inclusive health services in Tasmania.

The aim is to reduce barriers to healthcare for LGBTIQ+ people and improve health outcomes by making inclusive services easier to identify.

Who Can Register

- GPs and primary care services
- Specialists
- Allied health practitioners
- Community and health services across Tasmania

How to Register

Complete this short 1 minute form

<https://tinyurl.com/3nkhnmk>
